

Beautiful People

Because our dreams matter

Dear <<First Name>>

Despite the difficulties many of us have faced since COVID-19 hit last year, Beautiful People has continued to adapt to stay relevant in these uncertain times. With your help, we have managed to raise funds to support our mentees through the pandemic.

Our work has stayed focused on helping those affected, especially during the Circuit Breaker when many of our mentees had to work and learn from home. Our priority then was to provide basic necessities and digital access to our community. This was eased through your contributions and donations from our community partners.

**Bridge The Digital Divide
& our Ex Mentee**

Dream Fund to continue supporting our mentees' educational pursuits.

To keep morale up during the Circuit Breaker, mentors stayed in touch with mentees through WhatsApp, and mailed handwritten cards and notes. Mentees were also engaged through online cooking, story-telling and singing sessions via Zoom.

With guidance from mentors, the Young Leaders of Beautiful People organised our first-ever virtual annual Family Day. Once Phase 3 commenced, the Young Leaders also conducted baking sessions for fundraising and sports activities in person as part of Passion Lab. These played an integral role in encouraging mentees to be more connected during a challenging period of uncertainty.

On behalf of the mentees, mentors and volunteers of Beautiful People, we thank you for contributing to these efforts. Your support has been critical in helping many of our mentees and their families.

Because Our Dreams Matter!

Sincerely,

Beautiful People's Fundraising Team
