Read How Your Donations in FY2021/22 Have Impacted Our Mentees!

Through the last two years of the pandemic, Beautiful People has continued to adapt our fundraising efforts through online fundraising, powered by **Peer-to-Peer (P2P) fundraisers** by our mentors and mentees. With the support of generous donors such as yourself, we have managed to raise funds to support our mentees through these difficult times.

As we end our Financial Year, here are some of the fundraising highlights of 2021/22.

**Save for Dreams
With Beautiful People**

\$35,000

By supporting partner needs, the fundraising efforts of mentors and mentees have been able to...

July 2021 Beautiful People was voted 'Charity of the Year' almost unanimously by the staff of Swiss Re's Singapore office. With that came a grant for us to build a programme together.

Together with the staff of Swiss Re, our mentors developed 'Save for Dreams'. With workshops and mentorship, the plan is for the participating mentees to develop a savings plan and build up employment capabilities, hopefully breaking away from short-term solutions such as government assistance.

Thank you for helping **Beautiful People** in 2021/22 with your generous donations. As a **volunteer-powered mentorship movement**, your support means a lot to us.
