

Beautiful People Celebrates Family Day!

Beautiful People's Annual Family Day celebrates our vision of
"One loving family: Every dream a possibility"

More than 400 people – our biggest turnout to date! – celebrated in 'Summer Fiesta' style this July at our annual Beautiful People Family Day. This would not have been possible without the dedication of our Young Leaders and their three months of planning and organisation with their mentors.

The annual event's successes transcend beyond just the day. Through this experience, our Young Leaders gained skills, confidence, and grew personally. Everyone rejoiced in solidifying old relationships and creating lasting memories with new friends.

We're looking forward to the next Young Leaders-organised event and hope you will join us at Flying Start later this month!

"The experience was great and very fruitful! There were so many learning takeaways being on the planning committee. I truly enjoyed myself doing some amazing things with a group of talented and passionate leaders!"
