**Beautiful
People**
Because our dreams matter

Dear Donor,

Beautiful People began with the simple idea that dreams matter. Thanks to the generosity of donors like you, we have invested in the dreams of almost a thousand young men and women. Our vision continues to guide us, as we endeavor to make every dream a possibility.

In the year April 2018 to March 2019,
186 active volunteers reached out to
147 mentees in our various programmes.

This programme, which we have run for **13 years now**, helps empower our mentees with life skills.

This year, the programme was expanded into, **Gladiolus Place**, a residential home for teenage girls.

Donations to Beautiful People's **Dream Fund** allowed our mentees to continue their education and, last year, **we had our first university graduate!** In 2019-2020, we will be supporting more young women – some of them young mothers – to continue their degree and diploma studies in social work and nursing.

Beautiful People also continued our work with **Free For Good**, a pre-discharge programme in Changi Women's Prison; and young families received support and advice from their mentors in our **Families for Families** programme. Their children are now starting school and flourishing, given the good start received with our mentoring.

With your support, a new programme launched in 2018 - Little Giant Steps - has grown in this last year, reaching out to more children.

FLYING START
led by our Young Leaders – mentees who have stepped up to take a leadership role in Beautiful People

LITTLE GIANT STEPS
provides social and emotional support for children who have experienced trauma in their young lives

Once again, on behalf of all the volunteers, mentors and mentees at Beautiful People, thank you for your support: Because Our Dreams Matter.

This year, Singapore's Bicentennial Community Fund (BCF) offers a dollar-for-dollar match for donations up to \$400,000 to Institutions of a Public Character (IPC). We have the opportunity to make an immense impact but we need your support!
